"Spoon River Anthology" is a reflection on life by the members of a small community. They remember the sad and the happy times. They remember the joy and the sorrow of living. They are now dead but they prize the precious thing called life.

# WAPELLA WINS HOMECOMING AFTER SIX YEAR DROUGHT

Let that basketball roll, 34.

Take it to the basket!

Wapella High School won its first Homecoming basketball game in six years by holding the ball for one good shot in the fourth quarter in a 60-56 Kickapoo Conference triumph over Saybrook-Arrowsmith. At the end of the first quarter, it was tied 14-14, and the Wildcats led only 32-31 at the half. They were again tied 48-48 at the end of third quarter, but we won the game to give us a 1-0 Kickapoo Conference lead.

My eyes adore you, basketball.

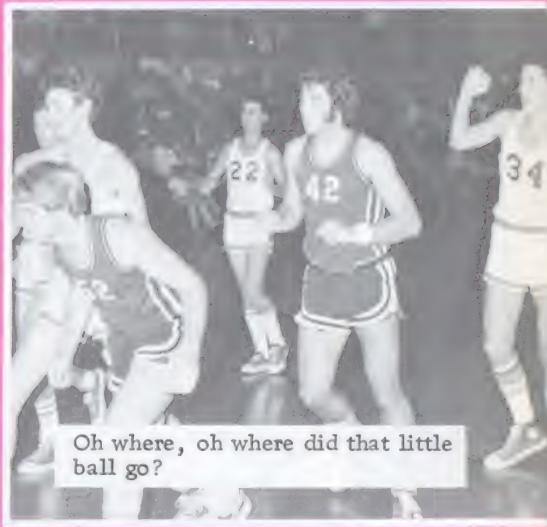

Fly Tommy Fly

Basketball will keep us together.

Red, White, Blue--we love you.

Oh where, oh where did that little ball go?

That ain't no way to treat our Eddie.

During the Varsity half, the pom pom girls performed a flashy routine to "Albert Flasher". They dazzled the crowd with kicks and moves never before used by the girls.

The Junior Varsity put up a good tough fight but were still overcome by the Commandantes.

Over all, it was a very exciting Homecoming game for everyone, and we're really proud of our Wildcats.

## ORGANIZATIONS

## STUDENT COUNCIL

We would like to take this opportunity to thank the DeWitt County Museum Association for allowing us to use the house and grounds of The Homestead as the background for several of our pictures this year. Also, "Thank you" to Mrs. Roberta Robinson for all her patience and cooperation when our students "moved in." The Retro Staff greatly appreciated being able to add a little bit of history to this yearbook with the help of the Homestead.

It was to be the dream house of John and Minerva Moore Bishop. John Bishop, a prosperous grain and lumber dealer in Clinton, started building in 1863. But the Civil War delayed the work. It was not until 1867 that the house was finished.

Before he died in 1881, Mr. Bishop sold the house to his brother-in-law, the Honorable Clifton H. Moore, a prominent attorney and financier in Clinton. Mr. Moore died in 1901, and the house gradually deteriorated until the DeWitt County Museum Association began restoration in 1967. Today it is a well-preserved example of how a well-to-do family lived in a small town in Mid America in the 1880's.
